She is an accomplished linguist from her too urgent employer, a German and fond of outdoor sports.

Margarete Christians and Hanns Unterkircher have the principal roles. Aranka Eben, Grete Felsing, Christian Rub and Eduard Kepler are also in the cast. baron, to prove his wickedness and take refuge again in her cottage in England.

A Play by Actors.

cival, who fashioned the immortal

ficial scenes with her unfalling charm and graciousness. But it was in the confession of her plan at the end of the play when there was a brief cloud over her happiness that she was at her best. She was touchingly sincere and natural in a scene which was, of all in the play, perhaps the most artificial. The part gave her an admirable opportunity to show her versatility after the resulting heroines that she has been called on to act during recent seasons.

heroines that she has been called on to set during recent seasons.

Mr. Belasco did not permit his efforts to cease with the succession of simple but charming pictures that provided the backgrounds for the drama. He had selected most excellent actors to place about Miss Starr. He was called by the insistent audien, before the curtain after the second act. Looking a little more certical than ever—he must have been promoted to the College of Cardinais—he put his hand on his breast and declared that he was proud of little Miss Starr. That was his modesty. He onight quite as justly have said that he was proud of every actor in the company.

irresistibly comic study of an old sea dog. Jerome Patrick was as attractive as the reformed hero could be, but the honors of the men he had to divide with the youthful Horace Brahmer, who was
